This document accompanies the presentation, “Supporting Evidence-Informed Policymaking: A Case Study in Visualizing Twitter Networks” (<http://connectiveassociates.com/2019/03/visualizing-eip-twitter/>). That presentation introduces the following network map of EIP-related Twitter activity monitored in May 2018.

The labeled nodes are the approximately 250 EIP actors initially known to Hewlett at the beginning of the project. There are approximately 2500 nodes without labels, which represent EIP actors discovered during the project based on analyses of who the initially known EIP actors are following on Twitter.

The presentation also introduces six different colored clusters. Each cluster is defined by patterns of who Tweeted to whom during May-June 2018. After defining clusters based on these patterns, we analyzed which topics were most prevalent in each cluster and obtained the following keyword lists:

0. **[Orange]** #saafniyatsahivikas, #humfittohindiafit, #mannkibaat, #aadhaar, #karnataka, #innovationkibaatpmkesaath, #artificialintelligence, #innovateindia, #4thyogaday
1. **[Purple]** #opendata, #data, #opengov, #civictech, #ai, #cfasummit, #rightscon, #rightscon2018, #transparency, #privacy
2. **[Red]** #evidence, #research, #systematicreview, #systematicreviews, #evidence2018, #eidm, #geis2018, #evaluation, #aenaward, #malawi

3. **[Yellow]** #ahora, #research, #women, #cocinacon, #gender, #ayacucho, #cocinaconcausa, #globalsolutions, #muniejecutivo, #envivo
4. **[Blue]** #africa, #ukaid, #sdgs, #data, #migration, #development, #cashtransfers, #globaldev, #socialprotection, #humanitarian
5. **[Green]** #africa, #sdgs, #ebola, #data, #g7, #genderequality, #drc, #wha71, #africaday, #edd18

Below is a directory of the labeled nodes in the map, sorted by cluster and then by screen name:

Twitter Screen Name	Name	Cluster	Twitter Homepage
bayesimpact	Bayes Impact	0	<a href="https://twitter.com/bayesimpact">https://twitter.com/bayesimpact</a>
cpr_india	CPR India	0	<a href="https://twitter.com/cpr_india">https://twitter.com/cpr_india</a>
